PATENT COOPERATION TREATY

From the INTERNATIONAL SEARCHING AUTHORITY To: KENNETH M. MASSARONI NOTIFICATION OF TRANSMITTAL OF SCIENTIFIC-ATLANTA, INC. INTELLECTUAL PROPERTY DEPARTMENT THE INTERNATIONAL SEARCH REPORT 5000 SUGARLOAF PARKWAY OR THE DECLARATION (PCT Rule 44.1) Donalline = 3/23/03 LAWRENCEVILLE, GA 30044 23 JAN 2003 Date of Mailing (day/morah/year) Applicant's or agent's file reference FOR FURTHER ACTION See paragraphs 1 and 4 below F-7018-PC International filing date International application No (day/month/year) 05 September 2002 (05.09.2002) PCT/US02/28212 Applicant SCIENTIFIC-ATLANTA, INC. The applicant is hereby notified that the international search report has been established and is transmitted herewith. \boxtimes Filing of amendments and statement under Article 19: The applicant is entitled, if he so wishes, to amend the claims of the international application (see Rule 46); The time limit for filing such amendments is normally two months from the date of transmittal of the When? international search report. Where? Directly to the International Bureau of WIPO, 34, chemin des Colombettes 1211 Geneva 20, Switzerland, Facsimile No : (41-22) 740,14.35 For more detailed instructions, see the notes on the accompanying sheet. The applicant is hereby notified that no international search report will be established and that the declaration under Article 17(2)(s) to that effect is transmitted herewith. With regard to the protest against payment of (an) additional fee(s) under Rule 40.2, the applicant is notified that: 3 the protest together with the decision thereon has been transmitted to the International Bureau together with the applicant's request to forward the texts of both the protest and the decision thereon to the designated Offices. no decision has been made yet on the protest; the applicant will be notified as soon as a decision is made. Shortly after 18 months from the priority date, the international application will be published by the International Bureau. If the Reminders applicant wishes to avoid or postpone publication, a notice of withdrawal of the international application, or of the priority claim, must reach the International Bureau as provided in Rules 90 bis 1 and 90 bis 3, respectively, before the completion of the technical preparations for international publication Within 19 months from the priority date, but only in respect of some designated Offices, a demand for international preliminary examination must be filed if the applicant wishes to postpone the entry into the national phase until 30 months from the priority date (in some Offices even later); otherwise the applicant must, within 20 months from the priority date, perform the prescribed acts for entry into the national phase before those designated Offices. In respect of other designated Offices, the time limit of 30 months (or later) will apply even if no demand is filed within 19 months See the Assex to Form PCT/IB/301 and, for details about the applicable time limits, Office by Office, see the FCT Applicant's Guide, Volume II.
